

Goin' to Chu'ch

Words and music by Kellori R. Dower

> Git out'a my way, git out'a my way...
I'm goin' to chu'ch, I'm goin' to chu'ch, now
I'm goin' to worship Jesus Christ my Lord, Mm...

Now satan blocked my path, but his taunting did not last
I'm goin' to worship Jesus Christ my Lord, Oh yes!

He tried to stall my way, but I still went to chu'ch that day
I'm goin' to worship Jesus Christ my Lord!

> Repeat

Now, those who don't believe, won't you listen here to me
I'm goin' to worship Jesus Christ my Lord, oh, oh, oh,
They nailed him to that tree, just to save a wretch like me!
I'm goin' to worship Jesus Christ my Lord

Git out'a my way, git out'a my way...
I'm goin' to chu'ch, I'm goin' to chu'ch, now
I'm goin' to worship Jesus Christ my Lord, oh yes!

I'm goin' to chu'ch, I'm goin' to chu'ch, now
I'm goin' to worship Jesus Christ, I'm goin' to worship...
Jesus Christ my Lord! Mm...
